FEATURE HIGHLIGHTS

1

Choice of Powerful Rotax Engines

Two engines so tough that choosing won't be easy: the 38-horsepower single-cylinder Rotax 450 or 48-hp Rotax 570 V-Twin. Each offers responsive power that's strong, smooth, and efficient.

2

Tow with Confidence

The Can-Am Outlander tows 1,300 lbs (590 kg) with ease. A rear hitch plate comes standard, and the ride is pre-wired for a winch in case drivers plan to push the limits—which they will.

3

Smooth Riding

Put it in H and go: a Continuously Variable Transmission (CVT) keeps the Can-Am Outlander within its powerband, for efficient, torque-rich response at all speeds and no need to worry about selecting gears.

4

Range to Roam

Longer rides are no longer a dare. A 5.4-gallon (20.5 L) fuel capacity and Electronic Fuel Injection (EFI) means more miles per gallon and more adventures per tank.

5

Trip Info at Your Fingertips

The multifunction digital display keeps the Can-Am Outlander's crucial information at hand. Features include speedometer, gear position, temperature, engine lights control, electronic fuel gauge, clock, and more.

FEATURE HIGHLIGHTS

1

Powerful Rotax Engine

The Can-Am Outlander mr 570 leads the way with its Rotax V-Twin 48-hp engine. This ride lays down impressive torque with a responsive throttle, a signature roar, and power to spare.

2

Unlocking Limits

Thanks to Visco-Lok QE, the Can-Am Outlander mr 570 has a locked differential that unlocks possibilities. Easily operated with a faster engagement point for demanding use, this ride simply eats up mud.

3

Mud-Loving Tires

The Can-Am Outlander mr 570's 28 inch ITP Mega Mayhem tires sit on 12 inch cast-aluminum wheels. It's a combination ready to take on any challenge. Especially if that challenge involves mud.

4

Powerful Companion

The numbers are impressive: 1,300 lbs (590 kg) of towing capacity. But the Can-Am Outlander mr 570 is so much more. It's a partner for work and play, hauling loads and taking drivers along for the ride.

5

All-Terrain Protection

This ride tackles tough terrain and keeps riders safe at an equally high level. A heavy-duty front bumper and mud-riding footrests are two features allowing this rig to keep both fun and safety front and center.

FEATURE HIGHLIGHTS

1

Choice of Powerful Rotax Engines

Two engines so tough that choosing won't be easy: the 48- or 78-horsepower Rotax V-Twin. Each offers responsive power that's strong, smooth, and efficient.

2

Smooth Riding

Put it in H and go: a Continuously Variable Transmission (CVT) keeps the Can-Am Renegade within its powerband, for efficient, torque-rich response at all speeds and no need to worry about selecting gears.

3

Unlocking Limits

The Can-Am Renegade's selectable 2WD / 4WD with Visco-Lok auto-locking front differential doesn't just grip terrain. It gains maximum traction at the push of a button in all riding conditions.

4

Anti-Theft Protection

A ride this special deserves top end security. Encrypted chip technology—one vehicle, one code—restricts access to only the owner. The electronic ignition system and ball-and-socket key design team up for a reliable wireless connection.

5

Trip Info at Your Fingertips

The 4.5 inch digital display keeps the Renegade's crucial information at hand. It's backlit so that it's readable in all weather conditions.

FIT AND COMPATIBILITY

For us, innovation is a no-brainer. All our accessories work together, right out of the box. So take your pick. Then pick some more.

STYLE AND VISION

We've upped the ante when it comes to accessories. Not just designed to look good, but perform right for real riders. All killer, no filler.

QUALITY AND RELIABILITY

Our Can-Am accessories are made right the first time. And to top it off we threw in a 1-year warranty. You're welcome. Install them yourself or at an authorized dealer.

BRP 1-YEAR LIMITED WARRANTY*

For new Can-Am accessories, genuine parts, and co-branded products sold through BRP. Includes items installed by you or an authorized BRP dealer.

can-am

*Use other than which the product is designed for will void the product limited warranty. Other exclusions may apply, the warranty is subject to the exclusions, limitations of liabilities and all other terms and conditions of BRP's standard limited warranty. See complete limited warranty or contact your Can-Am Off-Road authorized dealer. Applies only to BRP-made products or co-branded products made by currently accredited BRP partners. Purchased at an authorized BRP dealership/distributor or from a BRP-authorized online store. Unless otherwise stipulated or required by law. This limited warranty does not apply to factory installed accessories. This limited warranty does not apply on Evinrude parts and accessories. This limited warranty is effective as of March 1, 2016.
